- Each hole has 2 designated drivers and 2 designated putters.
- The 2 designated players hit off from the tee and select the ball in the best position.
- Proceed with normal 4-person Ambrose style of play until the ball is on the green.
- All other team members **place their balls within 30cm of the selected ball**, no nearer the hole.
- **The selected ball may be lifted and cleaned**, after the position has been marked
- If the selected ball is in the **rough, a bunker or a penalty area**, the other balls must be **placed in the rough, bunker or penalty area** within **30cm** of the selected ball. The **bunker** must **not** be raked between shots – if necessary, the ball may be placed more than 30cm (while as near as possible to the selected ball) in order to have a similar lie as the selected ball.
- Only the 2 designated putters may putt once the ball is on the green.
- On the **green**, the balls must be **placed within 15cm** of the selected ball, no nearer the hole.
- The first player may putt out (if close) and her partner may putt **only if she can improve the score**.
